Tutoring and Learning Support

- [MCCCD Learning Center Site](#)

Things at the CGCC writing center:

- Assist students with any writing assignment from any CGCC class.

- Provide writing support to students at all levels of writing ability.

- Offer writing handouts on essay conventions, grammar, documentation styles, and more.

- Have computer workstations for academic use.

- Feature private study rooms with white boards.

- Present Writing Center Workshops on a variety of topics.

- Deliver Writing Center Orientations.

- Have a Writing Center Scavenger Hunt for students in any discipline.

- Use a Tutoring Action Plan worksheet to guide and focus sessions.
- Foster the confidence and knowledge students need to be more self-aware writers and ultimately more successful CGCC students!
